# OVERVIEW OF MINISTRIES AND EVENTS

There is a lot of evil in this world. It seems that it keeps getting worse and worse. Satan's grip on America and our community is becoming increasingly powerful. Maybe it's time for a revolution!

We are called Revolution Student Ministries because we are tired of those evils infecting our community. We are unwilling to just stand back and watch our world die. We are God's messengers, We have a voice, this world will hear it!

Rolling Hills Christian Church has a fantastic group of young people who are excited about their time in Church and walk with God. Because of that excitement, they have stepped up into ministry roles and are now leading many of the ministries that RHCC is involved. Our process is simple, first you love God, then you love others, and then you serve the world.

We are not interested in "playing church". Our focus is presenting God to the World.
